Make great happen.

Kongo is more than the next generation of the education ecosystem – it's an uncompromising vision of creating high levels of economic goals and societal values for the modern world.

Working with top executives from educational institutes, industry and the government, Kongo helps them make better decisions, convert those decisions to actions and deliver the sustainable success they desire.

It is the pioneer of Education Change Management in India. It is where you come, to make great things happen.

Quality =
{[Content + Delivery] Pedagogy} Relevance

Quality of Educational Output is a sum of Content and Delivery times Pedagogy to the power of Relevance.

Kongo's approach to education change management is extremely systematic, dealing with change both from the perspective of an organization and the individual resulting in accelerated growth.

The change is intended to

- re-direct the use of resources
- content delivery mechanism
- educational process
- pedagogy
- budgets

or other modes of operation to significantly shape the future prospects.

We equip stakeholders with strategies to help them create the right conditions to do things more efficiently.

Our services are designed to support stakeholders in bridging the gap between education and employment. The process is supported by our own tools and methodologies that are designed to accelerate change delivery by reducing the time it takes to embed change and thereby reducing disruption to the day-to-day operation.

Change Initiation | Change Delivery | Change Development

Change Initiation

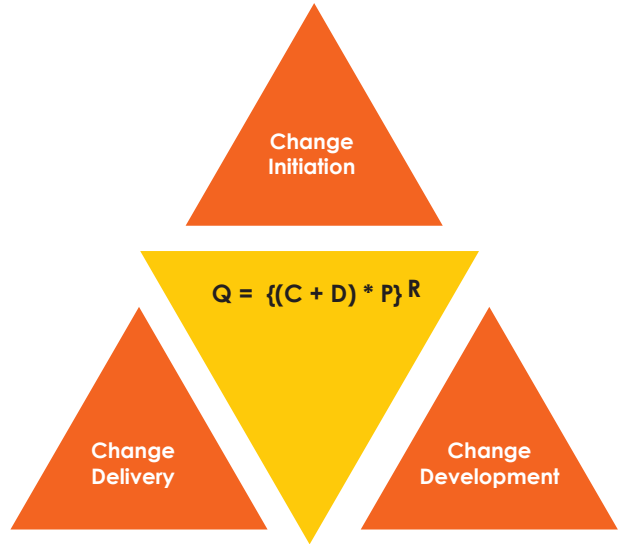

- Identifying the need
- Articulating vision, rationale and values
- Establish overall approach
- Define and track measures of success
- Set up a change plan

Change Delivery

- Assessment of impact
- Communicating change vision
- Empowering actions
- Deliver acceptance checks
- Handover change to operations team

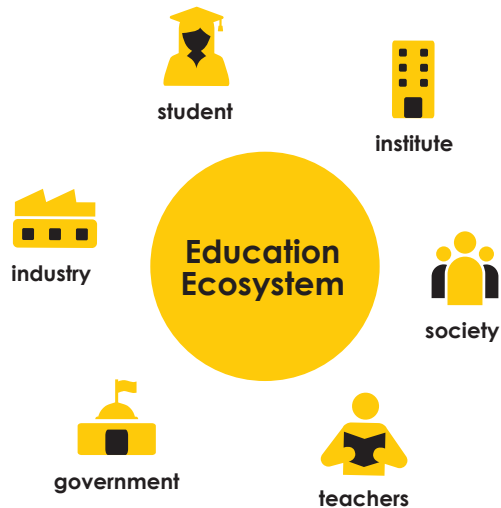

Change Development

- Change management training
- Recommend priority developments
- Evaluate designs and develop competencies
- Reassess impact and change index

One company. Six stakeholders. The utmost value.

Practicing holistic and progressive educational partnerships with the 6 stakeholders of the education ecosystem, Kongo is committed to providing epic standards that turns every value into brilliant, immersive experiences.

Values. Intrinsic to our progress.

Our core values form a guide by which we hold ourselves to account, create opportunities, strive to improve and set global benchmark.

Ethical Behaviour
